SETHURAJ S

Computer Science Student | Java & C Developer

Kovilpatti, Tamil Nadu, India | +91 81909 62101 | sethuraj2006r@gmail.com

Portfolio: https://sethuraj21s-ln.github.io/portfolio/

CAREER OBJECTIVE

B.Sc. Computer Science student with a strong foundation in C and Java programming, data structures and problem solving. Seeking an internship with a US-based company launching its India operations, to contribute clean, efficient code, learn from experienced engineers, and grow into a full-time Software Developer role.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science Semester IV GPA: **7.10 / 10**

Sri S Ramasamy Naidu Memorial College (Autonomous), affiliated to Madurai Kamaraj University

Coursework: Programming in C, Java, Data Structures, Database Management Systems, Operating Systems, Web Basics

Higher Secondary (12th Grade) **83.17%** (499 / 600)

TECHNICAL SKILLS

- **Programming Languages:** C, Java (core concepts, Object-Oriented Programming)
- **Web Technologies:** HTML, CSS, JavaScript
- **Tools:** Git, GitHub, VS Code, AI-assisted development tools
- **Currently Strengthening:** Data Structures & Algorithms, C++
- **Core Strengths:** Problem solving, debugging, teamwork, time management, openness to feedback

PROJECTS

Billing Website (Academic / Self-initiated Project) HTML, CSS3, JavaScript

- Built a functional billing website to manage product items and generate receipts.
- Implemented user input handling and dynamic logic using JavaScript.
- Designed the page structure and styling with HTML and CSS3, using AI-assisted tools to speed up development.
- Explored and chose the technology stack independently, building confidence in learning new tools.

CERTIFICATIONS & ACHIEVEMENTS

- No formal certifications yet; building skills through hands-on projects and self-study in Data Structures & Algorithms and C++.

AREAS OF INTEREST

- Core Java and C programming
- Web application development and modern UI tools
- Practical applications of AI tools in software development
